

Cladding Site Supervisor – Bournemouth

Starfish Construction currently has a vacancy for an experienced Rainscreen Cladding Supervisor to work on a large-scale prestigious re-cladding scheme in Bournemouth.

Starfish Construction is a nationwide construction company involved in the refurbishment and development of buildings across the UK. We are a Building Envelope Contractor, specialising in all types of roofing, cladding, rainscreen cladding and curtain walling across a wide range of sectors. The company is also involved in internal fit-outs and asbestos removal and have delivered numerous high profile construction projects for our Blue-Chip Clients.

Does your experience fit the role:

- Hold a valid CSCS Card
- Relevant Management / Supervisor training such as SMSTS / SSSTS
- Six years minimum in Rainscreen Cladding Supervision.
- Full Driving Licence Preferred but not essential
- Possess a positive attitude towards Health and Safety
- Good communication skills with a professional and friendly approach to both fellow employees and clients.
- Be Physically fit to carry out manual tasks
- Be able to follow instructions given accurately
- A team player willing to help out with other duties as required
- Be confident to make decisions and assertive in leading a team fairly and respectably.

Main responsibilities of the role:

- Assist with the planning and execution of Rainscreen cladding installation.
- Stocktake materials and assist with material ordering, and call-offs to site
- Inspect installed works ensuring compliance of installation to the design drawings and specification
- Phased Quality inspections and recording of the installed works onto a digital system
- Ensure all tasks on site are carried out in accordance with the company's health and safety site rules
- Ensure PPE is worn at all times
- Daily inspections of scaffold, site compound and perimeters, Mast climbers and Cradles (training will be provided for access equipment inspections).
- Working with various site teams to assist with different aspects of the construction project

The Benefits of working with Starfish Construction

- Competitive Salary
- Company Pension
- On-Site Parking

Schedule:

- Monday to Friday

How do I apply?

Please submit your CV (via the upload form at the bottom of our careers page) clearly showing your experience in Rainscreen cladding and include some examples of Projects worked on and what role you had on those projects.
